## EDITORIAL

Come on then, which of this month's pussy parade do you like the best? We couldn't decide in the office, with Joe swearing blind that Brooklyn was the sexiest thing he'd seen in years, while Mark reckoned Bexie was as near perfection as he'd ever expect to see. Personally, I argued the toss for Ariana, who's got a twinkle in her eye that just screams sex. And then, of course, there's the ever-luscious Katie and Dolly, who could make any male in their senses sacrifice a limb or two with the promise of a quick jump. In search of a casting vote, we asked Ruthie what she thought about them all. Naturally, we were a bit taken aback when she said she'd quite happily do any of them! On reflection, though, I think she was probably right, don't you?

Dear The Lounge,

There's a guy at college called Ian who's got hair down to his backside. He describes himself as the last of the hippies and he's a real nice guy, but his hair drives us all to distraction. For three years now we've been pleading with him to cut it

off but he'd never do it. Then, last month, he came to me with a proposition – he'd get a haircut if I shagged him.

He only suggested this because he knew I'd never do it. But then it occurred to me that, because he knew I'd never do it, he assumed his awful hair was safe.

This changed my mind completely and I decided to call his bluff, and told him sure, he could fuck me all night long if he showed up at my door with short hair.

Later that night, he did just that.

I didn't recognise him at first, but the penny quickly dropped when he stepped into the light and asked me how exactly I wanted it.

I couldn't believe he'd done it, after all these years, he'd actually cut it off just so he could get inside my knickers. I felt quite flattered that he'd make such a sacrifice, though surely he hadn't taken me seriously?

"A deal's a deal," he insisted, resting his hands on my hips.

"Come on, you knew I was just joking," I tried to tell him but Ian wouldn't have any of it.

"If you welsh on this, I'll never believe anything you ever tell me again. Are you sure you want to do this to our friendship?"

He was very determined, and I had to admit he did look a lot better with his new cropped hair, so I thought it through and finally caved in on the condition that he never told anyone about it. Ian agreed and we went up to the bedroom. He stripped out of his clothes in seconds and stroked himself hard in front of me. I like watching guys

masturbate in front of me, I get a real thrill out of it and have watched a few of my male friends wank themselves off to orgasm. Ian wasn't interested in this though, he wanted my pussy. He took my hand and placed it on his cock and I responded by giving it a gentle squeeze.

"You like that?" I asked, leisurely tugging his skin backwards and forwards.

"Very much," he replied, "though I'd prefer it in here," he said and slipped a hand inside my knickers. His fingers moved down between my legs and pushed into my pussy.

I opened my legs and tugged on his cock a little harder as he pumped his digits in and out of me until I was slippery wet.

Ian stripped me out of the rest of my clothes and lay me on the bed with my legs open.

He rubbed his cock against my wetness and teased me by dipping the very tip into me before withdrawing and

rubbing me. He traced his hard dick all over my shaven haven and nudged it up against my bumhole before dipping his tip into my slot again.

"Just stick it in me," I urged, and thrust back against his cock, engulfing him completely. After all that teasing it felt wonderful to have a nice hard length inside me. I wrapped my legs around him and pulled him into me as hard as I could, grinding my clit against his abdomen.

Ian withdrew a way then plunged in hard. He did this again, holding my legs back and slowing stroking his dick in and out of my juicy slot and my head swam at the sheer dirty thrill of fucking someone for a bet. It had also been a while since I'd last got laid and I'd almost forgotten how great it felt to have my legs in the air and a big hard cock in my pussy.

"Oh that's it, fuck me, fuck me hard," I grunted as he slammed into me again and again. His balls slapped against my arsehole again and again, giving me a double thrill and I soon found myself cumming all over them. Ian pounded my pussy for an age making me cum twice more before he finally pulled his prick out and lobbed hot milky spunk all over me, leaving me hot, sticky and very very

**“ I fucked down on him nice and steadily, stroking his fat prick in and out of my wet cunt...”**

clit into his stomach and engulfed every last inch of his deliciously hard cock. I relaxed the whole of my weight and stretched my legs open wide loving the feel of him inside me

and the exhilaration of fucking a near stranger in such a public place. Ben pushed his face into my tits and sucked on my nipples as we rocked along, the vibrations of the train doing as much for my pussy as Ben's twitching cock. I fucked down on him nice and steadily, stroking his fat prick in and out of my wet cunt with great delight as Ben's hands explored my naked body.

I prickled with goose bumps and felt a great tension building up inside

seat and took me to the toilet. We locked ourselves inside and when the inspector knocked, Ben slid his ticket under the door, and he examined it, then went away.

"You're a bit of a naughty girl," Ben told me with a glint in his eye, and put his hands on my hips. My heart was racing from my close call and my veins rushing with adrenaline; I sure as hell felt like a naughty girl at that moment. If ever a guy had caught me at the right moment it was now.

I kissed him deeply on the mouth and held up my arms as he pulled my T-shirt over my head. His hands were all over my tits as I slung the shirt aside and unhooked his belt. Ben had a nice thick cock that grew thicker still when I stroked it in the palm of my hand. I tugged him to full hardness and Ben slipped me out of my jeans and sat down the toilet seat. He stuffed his face into my warm crotch and I lopped a leg over his shoulder to allow his flicking tongue access to my pussy. Ben licked me all over, tongue-fucking my hole until I was wet with spit and cream. He sucked on my lips and licked my insides, bringing me off on his face, before pulling me down into his lap and impaling me on his up-turned dick.

I sunk down on top of him, rubbing my

me as Ben's lovely long cock entered me again and again. I fucked him harder, desperate to feel the release of my orgasm, and Ben responded by slamming his prick into my cunt with equal force. The tension grew with every thrust of his cock until it was almost unbearable.

"I'm cumming. I'm cumming..." I moaned as my cunt convulsed around Ben's prick and the great concentration of pleasure in my pussy burst out all across my body.

Ben changed places with me, sitting me down on the warm toilet seat and thrusting away between my legs as I kissed him all over the face. He fucked me good and hard, concentrating on his own pleasure until he was ready to cum, then he pulled his greasy prick from my fluffy slot and shot a great wad all over me. I laid back and purred as he used me as a spunk target, splashing his hot cream over my face and tits, then thrusting his sticky dick into my mouth so that I could suck down the last trickles.

We resumed our places once we'd cleaned up but had to duck into the toilet twice more before the journey was over, although neither time had anything to do with the ticket inspector.

satisfied.

The next day I found out that Ian had tricked me: he'd got an interview with a trading house and had to cut his hair off anyway. I was flabbergasted he'd lied to me, though I was very glad he had.

*Tamara, Cardiff.*

*Dear The Lounge,*

I wanted to take the train home from Uni but didn't have enough for the ticket. I could've asked my parents for a few quid but I figured it would be more fun to take a chance and bunk the train.

I found a seat that wasn't reserved and settled in for the ride home. Next to me was a guy called Ben, a fellow-student from my same college and we struck up a good rapport as we headed south. About quarter of an hour into our journey, a ticket inspector appeared at the front of the carriage and started doing what it was ticket inspectors did. I suddenly realised what a silly girl I'd been and confessed what a fix I was in to Ben. Immediately he pulled me out of my

**A**s a days worth of shooting drew to a close Brooklyn Chase, with only a robe for modesty patted the space on the sofa next to her and beckoned me over for a tête-à-tête. And after an in-depth conversation about Adult industry politics, things took a spicy turn, all for the better I'm pleased to say, as the newly single Brooklyn dished the dirt on her recent exploits.

"It feels like I've been on one date after another; I had three last week, and I banged every one of them. Hey, don't judge! A girl's got needs, and besides, they were all super hot. Plus, I just can't help myself when I get horny, the blinkers go on, and I just want to fuck there and then."

We certainly don't judge here at Club, your honesty was just a pleasant surprise. Brooklyn turns out to be the best kind of woman there is, a woman of action!

**TOTAL RECALL**

**D**ear Total Recall, I've been reading Club since I was a young man, and now that you're on Vol. 49 I really am starting to feel the years. One thing that always makes me feel young is thinking about a certain young lady who featured in your magazine many moons ago, one Beverly in Vol. 32. What a sight

that issue was, I remember clearly her voluminous breasts, on a neat little figure, and those eyes that just scream 'fuck me'! How I fantasised about doing just that over, and over again. It would be great to see that little minx again, and might just prove the elixir of youth in my case. Keep up teh good work!

**T**ell us, Mia, where's your favourite place to have sex?

"Absolutely anywhere. My favourite sex is when my boyfriend just kind of grabs me and kisses me and we end up having sex right there, no matter where we are."

Really? What sort of places?

"In the kitchen, in the bathroom, on the dining room table. We once did it in the

back of the car in the B&Q car park."

Wow, that's really living the high life!

"Yeah, I know, what a classy chick, eh? But I just get so turned on sometimes, all it takes is for my boyfriend to nibble my neck. He knows it drives me wild, and the next thing I'll have my panties around my knees begging him to fuck me."

Sounds like the luckiest guy in the world to us!

## His Dark Materials

DVD £17.99 Blu-ray £22.99

When fantasy series are mentioned, there are a couple of authors who spring to mind, but few can really rival Philip Pullman and his magnum opus *Dark materials* trilogy. So when an email swung around, announcing a brand-new eight-part adaption of the novels, it's safe to say my heart sank a little, given the previous film adaption *The Golden Compass*. But being nothing but the open-minded and optimistic person I am (I'm sorry who are you referring to? – *The Ed*) I settled myself down for writer Jack Thorne's adaption, and what a corker it is. *His Dark Materials* is a dark, deep and richly textured exploration of what is essentially the death of God, told through the journey of the not so orphaned Lyra Belacqua (Dafne Keen), and demon Pantalaimon, who's Oxford in an alternative universe is set against the backdrop of the all-controlling Magisterium, who seek to censor all, including knowledge and Dust. Lyra sets out on a rescue mission to save her only friend Roger from the Child Snatchers. Still, as she journeys north by sea, airship and balloon, Lyra becomes embroiled in a far greater mystery involving her Uncle Lord Asriel (James McAvoy) and Mrs Coulter's (Ruth Wilson) experiments, that could prove devastating for organised religion, truth and other such moral considerations. A fierce, and at times frightening performance by Ruth Wilson, with Dafne Keen showing a natural ability and acting maturity beyond her years.

## Dracula

DVD £12.99 Blu-ray £17.99

We've come along way from the silent foreboding of *Nosferatu*, the unauthorised adaptation of Bram Stoker's 1897 novel, *Dracula*. Over the past century the imagery of the Vampire has turned from a grotesque blood guzzling monster to a sexy, sophisticated, neck nibbling, almost perfect dinner date (just think, he wouldn't pinch your chips, or hog the wine...but he might start on you).

This latest offering from the Steven Moffat has kept on trend with the almost rock star embodiment of our pointy-toothed fiend, with a sprinkle of contemporary relish, that rounds of this adaption, as a bite of something slightly different. Sister Agatha Van Helsing (Dolly Wells) was a well placed character move that adds an extra dimension to this hellish tale, and Claes Bang seductive Dracula. A production you can really sink your teeth into.

## Le Mans '66

DVD £9.99 Blu-ray £14.99

Tinkering is part of the road to manhood, I remember my father pulling broken things apart on the kitchen table, much to my mother exasperation. Sometimes he fixed them, sometimes it was a fool's errand. So if you feel the need for something slick and mechanically charged but lack a garage and something to tinker with, then James Mangold's *Le Mans '66*, should get your engine roaring. Focusing on the rivalry between Ford and Ferrari this film has tyre ripping grip on the screen, with immersive race sequences, punchy relationships between the pen pushers and pit boys, and a whole lot of gumption. Christian Bale is exceptional as driver Ken Miles, and Matt Damon swings it high as Texas can do man Carroll Shelby; with the pairs rapport being a highlight of the film.

## Motorola Razr

[www.ee.co.uk](http://www.ee.co.uk)

Remember the flip phones of the '00s? One, in particular, was all the rage, the Motorola Razr with its popping colours and sleek look, and now it's back a decade later, and it's still a flip phone. The foldable display comes out at 6.2-inches and is made with plastic OLED, there's a 16MP camera on the back and a 5MP front-facing camera. It houses a Qualcomm Snapdragon 710 processor,

6GB RAM, 128GB of storage, a 2510mAh battery, a fingerprint scanner, TurboPower fast-charge at 15W and a USB-C slot. Following a growing trend, there's no headphone jack or expandable storage, there's also no SIM card slot either, with the new-fangled eSIM. There are some downsides here, there's no facility for wireless charging, and there's much leading tech here either for the price tag.

£305

## Thinkware F70

[www.amazon.co.uk](http://www.amazon.co.uk)

£80.00

You'd think with all the adventurous technology available in cars that a forward-facing camera would be instinctive, but no, that would be logical and too helpful in the event of an accident. So it's down to us humble beings to have a poke about and see what's on the market. So let me introduce the F70 from Thinkware, it's compact, simple and affordable (three big ticks already!).

The F70 is able to record in full 1080p resolution, making that crucial number plate easily readable. Images are shot through a 140-degree lens, providing an excellent view of the road, with 30 frames per second. There's no night vision, but the F70 automatically boosts brightness and reduces noise for a clearer picture. It's small, subtle and smart, and definitely worth its price tag.

## Nikon D3500

[www.slrhut.co.uk](http://www.slrhut.co.uk)

Before the dawn of the smartphone, if you can remember that far back (I know, only a decade ago, but it's practically a technological century in today's terms), there were these devices called cameras which you were able to snap away on. Nowadays, unless you're a professional, your phone camera will do, but for those looking for a little extra a Digital SLR could be the answer, in particular the Nikon D3500. After a bit of a makeover the D3400 was reborn, as the D3500, supporting 24.2MP, an ISO range of 100-25,600 so most light ranges are photographable, several different colour modes are available vivid, standard, neutral, portrait, landscape, monochrome etc. This latest model has a bigger and better battery allowing you to shoot up to 15,000 sunsets and has the option of interchangeable lens.

**W**hen Ariana arrived, she was quick to let loose the secrets of her boudoir, and it turns out a quick bit of slap and tickle is on the cards with this one. So what is it about a 'quicky' that you like?

"I love being all romantic and taking our time, but there's something about a quicky that's so hot. It's fast and frantic, and so intense, and it makes me cum really hard. The other day I was just doing the washing up when my boyfriend came home and just sort of grabbed me from behind. He lifted my skirt up and pulled my knickers to one side, then he bent me over the sink before I even had time to take my rubber gloves off."

# SCRUFF JUSTICE!

## Hand Solo

Digital Playground

**Starring:** Robby Echo, Valentina Nappi, Isiah Maxwell, Danny D, Athena Palomino and Carly Rae Summers

**Synopsis:** "When a smuggler ship explodes around a

nearby planet, every smuggler in the galaxy wants a piece of the prize! Hand Solo, joined by his trusty crew of misfits, takes a perilous journey through space with the ultimate goal of becoming the most revered smuggler in the galaxy (and every inviting pussy that comes with it)!"

*Courtesy of Digital Playground*

**Verdict:** Rather like the non-porno-parody Han Solo flick that limped onto the big screens to little fanfare, this offering from Digital Playground seems a little bit half-baked. Apart from anything, it's only got

a cast of three splashers, which is a bit on the thin side even if one of them's the tremendous Valentina Nappi.

Not in any way taking its cue from the original, this opens in some sort of transgalactic tittybar, where Valentina helps 'Hand' snaffle a spaceship with the roll of a dice, at the price of a bunk-up with Isiah Maxwell. It's all a bit of a swindle, but he can't be too upset to be diddled out of his spaceship by such underhand methods - especially when he's splashing off over Valentina's face! Once they've nabbed the ship they find Athena onboard and, well, it's time for Hand to get some action, with some nice reverse cowgirl thrown in along the way. There are four scenes in total, but they're a bit on the underlit side... and there's no nookie for the Wookie!

## Dames of DP

Evil Angel

**Starring:** Adel Asanty, Alysa Gap, Angel Emily, Angelo Godshack, Barbie Sins, Charlie Dean, Christian Clay, Dylan Brown, Lutro, and Mike Angelo.

**Synopsis:** "Insatiable Euro-vixens give up their holes for double penetration pounding, meriting their coronation as the 'Dames Of DP!' Spirited pornographer Proxy Paige presents each ravenous, ravishing beauty in extravagant, graphic action with two or three hung studs. Anal athlete Alysa Gap stuffs a toy into her sphincter. In an extreme threesome, she gives a sloppy double blowjob. Charlie Dean and Christian Clay hammer-fuck the MILF's asshole to immense gaping! Alysa's cunt takes both big cocks

simultaneously -- a double-vaginal ploughing! Charlie, Mike Angelo and Lutro attempt to jam three boners into petite, hot Angel Emily's throat for a sloppy triple BJ. Their manhandling DP and DVP foursome features face fucking, ass-to-mouth fellatio, rimming and a creampie. British blonde Barbie Sins teams up with Mike and Yanick Shaft for animalistic filth. Barbie tongues bunghole and flaunts her nasty, prolapsing rectum! Mike fingers her to an intense, squirting orgasm, and Barbie manages to cram Mike's foot up her ass! Angelo Godshack and Dylan Brown subject tan brunette Adel Asanty to savage interracial

DP. She drools and chokes on a big black cock and gives a raunchy rim job. Her butt hole gapes. Splattered with a cum facial, Adel scoops up semen and swallows."

*Courtesy of Evil Angel*

**Verdict:** These girls are the badass ladies of porn, taking it any which way they can, as they are splashed from every direction by semen. Barbie Sins takes the crown for twisted though, as her gaping arsehole swallows Mike Angelo's foot and spunk collects in her eye.

**Katie**   
PHOTOS: DDF & Dolly

If we could indulge in a fantasy island for a moment, hmm let's call it Mugumbo's Island. Katie and Dolly could be the Goddesses and keepers of this island haven, with their marvellous melons tempting us poor chaps in. Think of it as a garden of Eden, with the sole purpose of pleasure-seeking and nuzzling those enormous knockers. This all sounds like a good premise for a novel to me. Kate and Dolly sure thought so...

"I'd love to be the keeper of a horny island," said Katie, "We could be the sirens, luring men in to have our wicked way with!"

Sounds like a cracking idea to me!

**H**i Bexie. Now tell us, what do you prefer, sucking cock or having your pussy licked?

"Oh, that's a good one. Actually, you'll probably think I'm weird, but I have to go with sucking cock. I fucking love sucking dick, it turns me on so much. For me, the biggest thrill comes from pleasuring someone else. I love being down on my knees with a big cock in my mouth, -licking it and sucking it, and looking up at the guy's face and seeing how much he's enjoying it."

You love having a cock in your mouth? You couldn't have a word with my missus, could you?

"Oh my god, I can't understand girls who don't give blow-jobs. It really is my favourite thing. All that hot cum running down my throat."

Sounds like heaven from our point of view!

## BIRTHDAY BLOW-OUT

Whilst at university Club was the only thing I read regularly, and now I've left I thought it only fair to give something back. In my last

year I shared a house with two gorgeous girls; Debbie and Jane. Debbie was a brunette with Italian blood somewhere in her family and had the whole 'J-Lo' thing going on. Jane was a blonde, a natural blonde as I was to find out. Both were blessed with fine bodies and they dressed in a way to show this off to the maximum.

Whilst living together none of us had regular partners, but at night Debbie and Jane would regularly rock the foundations with some random they picked up, whilst I enjoyed my own company flicking through the pages of my Club magazines. Our friendship was good and we always flirted with each other. The girls would often leave the bathroom door unlocked so I would walk in and 'surprise' them undressed. I know they were my friends but I also wanted to fuck them so badly!

After the finals we all went to the Ball together. As it was formal I was wearing a dinner jacket, something I generally hate. The girls wore long evening dresses similar in style but in different colours, Debbie wore red and Jane wore black. The dresses were long and tight with high slits up the sides revealing that they weren't wearing underwear. We had promised not to take dates, and instead spend the whole evening as a group of three.

Throughout the evening we drank heavily. This was our last uni night out and we were going to get wasted. True to their word they didn't pick up

any guys, despite many offers. They devoted their time to me only. When we danced one would stand in front of me and one behind, grinding slowly into me. My dick was hard all night – and they knew it.

When we finally got home after seven hours of partying I collapsed into a chair in the lounge and loosened my starched shirt. Debbie and Jane stumbled in after me giggling. They stood looking at each other, and then at me.

"You know what's cool about you?" said Debbie. "You've lived with us a whole year and not tried it on once."

"We did think you might be gay," added

**"She licked the length of my shaft, running her tongue along the veins that decorated my cock."**

Jane. "But then we found your secret stash of pornos."

"Oh Yeah, we enjoyed that. Hope you don't mind that we used your room."

I couldn't believe it. My biggest fantasy, Jane and Debbie getting it on, and in my bed. I was only pissed off I wasn't there with them.

"Anyway," continued Debbie, "we think you deserve a reward for being so cool." And with that she walked toward me and unfastened my trousers. I was already hard and as she pulled my dick free from my boxer shorts she started sucking hard on it. She licked the length of my shaft, running her tongue along the veins that decorated my cock. She massaged my balls with her hand and started to deep throat me. I'd had plenty of blow-jobs before, but no-one had actually deep throat me before.

Jane reaches behind her and unzipped her dress, letting it fall off of her body leaving her naked.

She came to the side of my chair

and took off my jacket and shirt. Throwing them aside she climbed up onto the chair, straddling my face. All I could see was the folds of her glistening pussy beneath a small neat bush. The smell of her was too great to resist and I started lapping at her with a ferocious eagerness.

I carried on tonguing at Jane's honeyed hole whilst she ground her pussy into my face. Debbie was skillfully deep throating me, still breaking off occasionally to suck my balls. It was not long before I felt like I was going to come. My body spasmed as I shot thick gobs of come down Debbie's throat. Instead of moving away, as I thought she would, she started sucking harder, massaging my balls and frantically wanking me off.

When I finished they both moved in front of me. Jane helped Debbie get out of her dress and then they both got down onto the floor. They were on all fours facing away from me. They reached round and pulled their bumcheeks apart, showing their beautiful little arseholes in all their glory. They looked over their shoulders at me and Jane asked "So, who do you want first?"

My dick sprang to life instantly. I looked at both their puckered arses and opted for Debbie's first. I got up out of my chair and onto my knees.

"Wait a minute stud!" Jane said "You can't go in their dry." And with that her mouth covered my dick. She pulled it out and it was shining with her saliva. She then turned her attention to Debbie's bottom, pressing her tongue deep inside her tight hole. "Okay, she's all yours."

Not needing any more of an invitation I slowly pushed my cock up Debbie's arsehole, letting her accommodate my dick gradually. I then made faster, longer thrusts, using her

The next day we all moved away, getting jobs in different towns. Still, we're having a reunion this year and I can't wait! With friends like these is it any wonder students stay in bed all day?

#### **LOOK, DON'T TOUCH - MUCH**

I've been married for ten years and as much as I love my husband, the spark has gone out of our marriage. I don't want to split up or anything but I'm desperate to feel a quickening of the pulse occasionally, just to remind myself that I'm still alive. I finally decided to hell with it and took a personal ad out saying "Look but

hips to push and pull her onto my dick.

Jane sat to the side, bringing herself off with her fingers, obviously enjoying the show.

Debbie was soon orgasming on the end of my prick, bucking wildly as I continued to plough her tightest hole. Jane crawled in front of Debbie and presented her arse, and Debbie started to like it like Debbie had licked hers. When Debbie finished her orgasm I pulled out and entered Jane. Jane was a whole lot tighter and a lot more eager.

From the start she pushed her bum back onto my dick screaming the whole time for more. I pushed two fingers into Jane's pussy and started bringing her off there as well. Jane came quicker than Debbie, literally exploding when she did. I could feel I was about to empty my barrels again. When I pulled out both girls fought for my dick, wanking it with an expert touch. They each battled over every drop of jizz I sprayed on them.

don't touch afternoon fun for discreet gentlemen." I didn't want to cheat on my husband, but figured I could satisfy the need I felt by masturbating in front of strangers.

My heart was racing when I placed the ad, but not half as much as when the first responses arrived. I read through them all before selecting one guy and invited him around. I led him through to the living room and told him not to tell me his name, as I thought it would be more exciting that way.

**"I pulled him into my cunt with my legs and ground my clit against his groin..."**

"Can I take pictures though?" he asked. I told him he could if he didn't get my face in the frame.

I started by lifting my skirt and showing him my little black thong. My visitor said he could make out my lips through the see-through lacy material and this made me shudder all over. I pulled my panties tight against my crack and rubbed my pussy through my gusset until I was swollen and wet. He snapped away, taking close-up shots of my cunt and my heart jumped when he told me he was going to wank himself off every day over these shots. This spurred me on and I pulled my gusset aside and revealed my totally shaven pussy to this total stranger. I stuffed my fingers inside and finger-fucked my squelchy hole until my juices were dribbling all down the crack of my bum.

"Can I wank off now?" my visitor asked. The thought of watching him hammer his hard cock while I brought myself off excited me so much that I told him he could. I fingered myself even harder, centring my touch around my clit and bumhole as he pulled his stiff dick out of his trousers. "I might not be able to help coming on you," he apologised as he stroked his meaty shaft just inches from my throbbing slot.

"That's all right, you can if you want," I told him, almost breathless with excitement. I stared at his cock as he wanked it harder and harder and willed him to spill its milky hot spunk all over my thrashing fingers.

My visitor moved in closer and asked if I minded him rubbing his erection against my wetness. I moved my hand and let him wipe his shaft between lips and this drove me wild with lust. He manoeuvred it so that his fat head was positioned just between my silky flaps and kept it there for an agonising moment.

"Do you mind if I thrust into you just the once?" he asked and I almost came with excitement.

"Just the once then," I told him and he eased his long stiff dick inside my slippery hole until I had him all the way inside me. He kept it there and twitched for a few moments then withdrew and asked if he could do it again. I pulled him into my cunt with

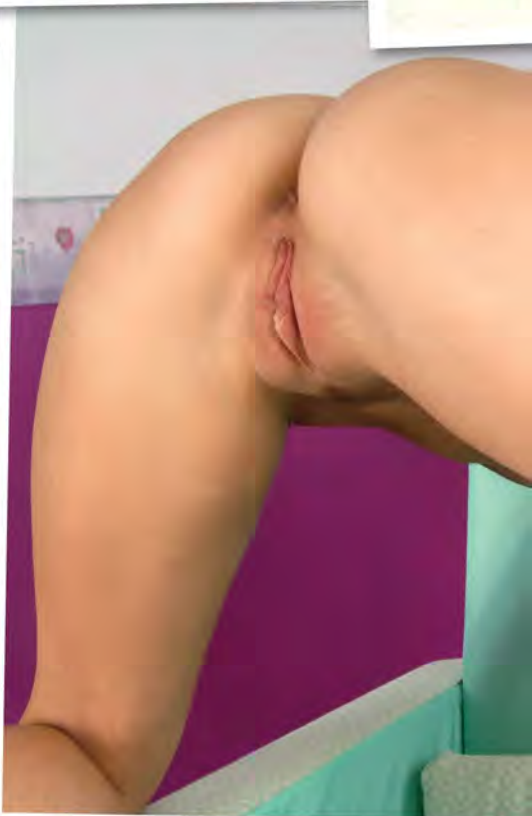

my legs and ground my clit against his groin, and exploded with pleasure after just a few seconds.

"Can I fuck you?" he asked and I could only reply "Please!" He withdrew and thrust into me with long, stroking motions as he held my legs by the ankles.

His cock felt wonderful inside me and I came twice more, convulsing around his thick rod, before he finally blew his load. The whoosh of hot sperm I felt pumping inside my pussy gave me goose-bumps all over and I held him hard against me as I savoured the sticky warmth between my legs.

My visitor apologised for getting so carried away but I reassured him I was glad he had. He took a few more shots of my creamy dripping pussy and

then said good-bye. Just before he left, I invited him back again. "Perhaps next time you could 'photograph' my arse," I suggested. *Jenny, Petersfield.*

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## TASTY ARRANGEMENT

I work with this guy called Ranjit. He's an Indian fella and he has a lovely wife called Simmi – this is short for something but I couldn't pronounce or spell that. Anyway, Ranjit and me are pretty good mates. We're always chatting about this and that as we paint and we go for a few beers on Fridays, and over the years we've got to know each other pretty well.

One day we were talking about Simmi and I complimented him on his choice of wife but Ranjit said that she wasn't his choice, she was an arranged bride. I was surprised that he'd gone in for this sort of thing but still had to admit he'd done pretty well out of it, and Ranjit couldn't argue with that.

Ranjit then told me his wife's sister, Nina, was to be married too in a few weeks time, then made me an offer I couldn't refuse. He said that Nina wanted one last fling before she was wed had asked Ranjit to find her a guy who was willing to help her out. If she was anything like Simmi, then the answer was "Fuck me yes!"

The following night, Ranjit dropped Nina off at my place and she was every bit as lovely as Simmi. He left us to it and we kissed and canoodled after barely a dozen words had passed between us. Nina was really up for it and I had my cock in her mouth while I was still undressing her. She had an absolutely

fantastic body and I stroked her lovely coffee buttocks all over as she swallowed my hard rod again and again.

I got her up on the bed and closed my mouth down over her cunt and lashed her clit with my tongue. This sent her wild and she held me in place with her legs and wriggled about on my face. I got to my feet and thrust into her a couple of times, but Nina said it was wrong like this and that she couldn't do it. I thought she was going to tell me to stop completely but she had a much better idea.

"Fuck me in the arse. My pussy's for my husband only, but my arse is yours if you want it," she told me turning over. I dipped my slippery dick between her buttocks and stroked it back and forth across her crease, making her shudder with

**"She was much gentler than her brother, and seemed to relish tonguing my..."**

delight. "I do love it in the bum," she told me and got up on her knees, spreading her cheeks apart.

I angled my cock down towards her puckered hole and leaned forward, pressing it into her. She squealed as my shaft slowly buried itself up in between her peachy buttocks and she punched back against me, swallowing me up inch by inch. When I was totally embedded inside her, she flexed her ring around me and squeezed my cock at the root. This felt fantastic and I gave her a playful slap across the arse before starting to fuck her. I held her by her waist and drove myself into her again

and again, loving that warm tight squeeze around my prick as I ploughed in and out.

I drove into her harder and harder, pausing for the briefest of moments each time I was deep inside her before pulling out and thrusting back in. Nina masturbated her pussy frantically as I fucked her and soon she was screaming and wailing as an almighty orgasm ripped through her. "That's it, that's it!" she kept saying as I did her again and again. She cradled my balls and tickled me between the legs and pretty soon I was squirting off inside her bowels. I pulled out and rained the last of my gunk down all over her lovely round cheeks until they were caked with hot, sticky cum.

Nina spent the night at mine and we fucked several more times, always in the arse, before she had to leave in the morning. I doubt I'll get an invite to the wedding, but I'd love to meet her husband-to-be, just to tell him what a lucky bastard he is.

fucked by two guys at the same time, but Scott wouldn't go for it because he wouldn't do anything involving someone of the same sex.

“That's so chicken, I think you should try everything once,” she said, and I read between the lines straight away.

“I was thinking about trying it with dildos but it's not the same doing it by yourself, is it?” I said, less than subtly. There was an awkward pause while I waited for her to take the bait, but she didn't, so I suggested it myself. “You

## A FAMILY AFFAIR

My boyfriend's sister is an out and out dyke. She's not butch or anything like that. In fact, to look at Sadie you'd never guess she was a lesbian, but she's full-on gay and not afraid to admit it. Despite this we've always been close. I have no problem with her sexuality and she's always calling round to tell me about her latest conquest. I get the impression she'd like to fuck me but is too afraid to make a move in case she jeopardises her relationship with her brother. And this

really gets me off. It's like flirting with a guy who you know fancies you. Unfortunately, whenever I've done this in the past I've always given in and fucked them eventually – and I ended up doing the same with Sadie.

She was at mine one day for coffee and we were talking about sex again. I could sense she was turned-on because she always flushes a little in the face whenever we get onto this subject and I suddenly really desired trying sex with another woman.

I was telling her my fantasies about being

could do me a favour if you wanted. You could fuck me with dildos so I can see how it feels. I know it's a strange thing to ask but we're close enough to do things like this for each other, aren't we?” Sadie's eyes lit up and she readily agreed, so I went into the bedroom and stripped. Sadie came in a moment later and see me on the bed with my arse in the air, waiting for her. She climbed up behind me and stroked her hands all over my buttocks and kissed my protruding pussy.

“Ooh, that feels nice,” I said, so she did it again, this time sticking her tongue inside and

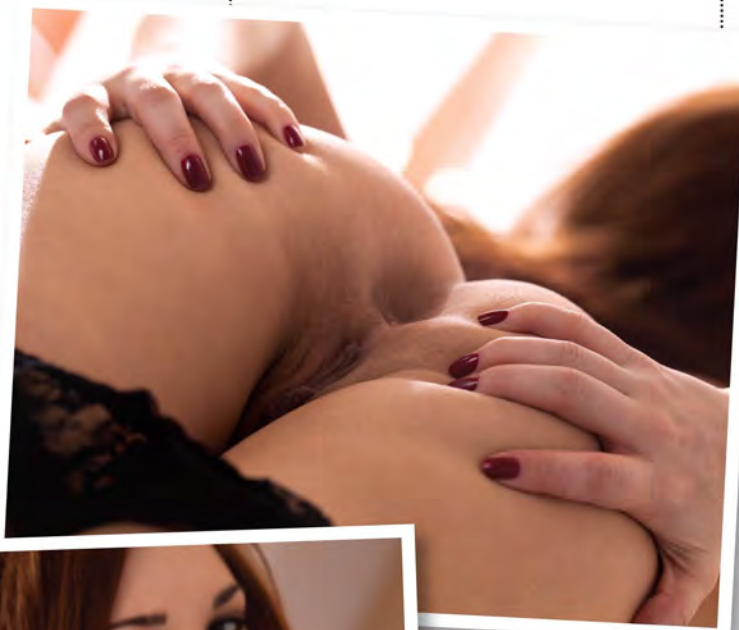

**“As she did this I slipped a finger out of her pussy and pressed it against her crinkled ring...”**

licking me out. She was much gentler than her brother, and seemed to relish tonguing my slot.

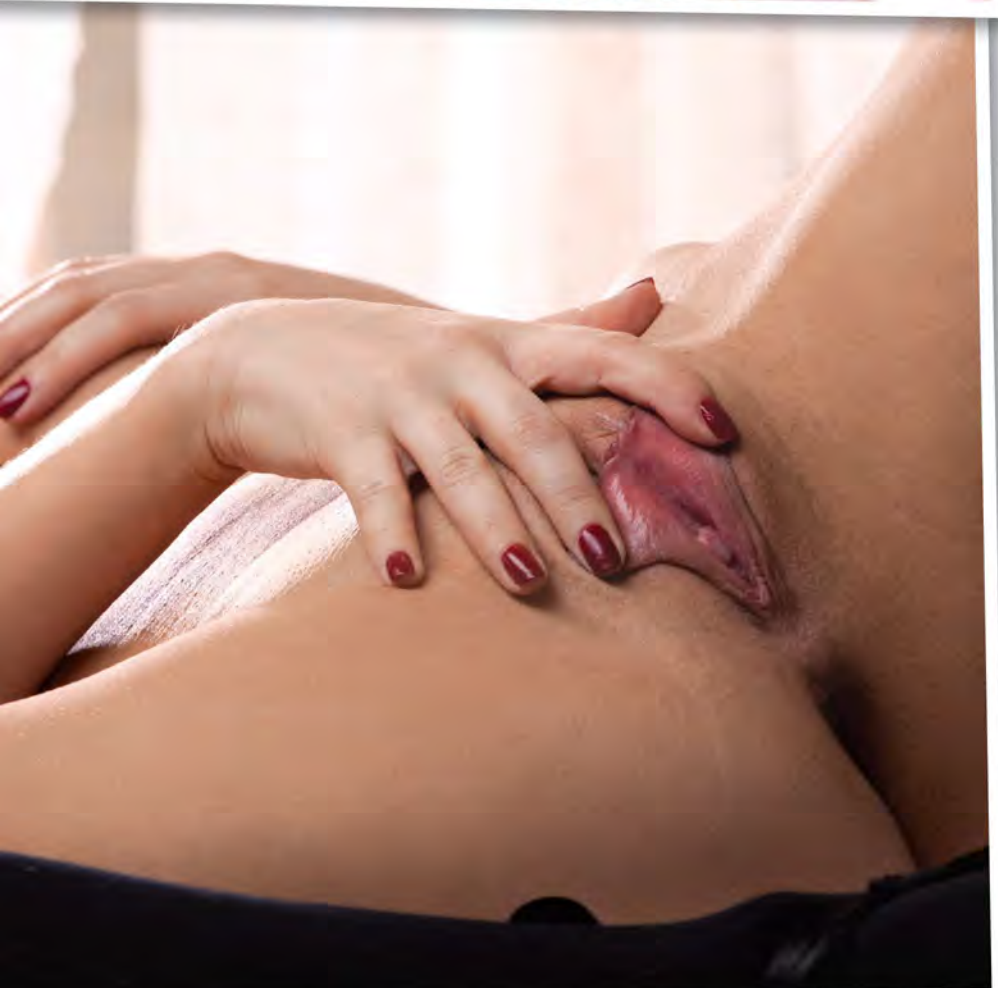

I'd put a couple of dildos out on the bed next to me and she rubbed one against my fuckhole until it was coated with my aromatic nectar. I was getting wetter by the second and loving being in this submissive position with her. Sadie pushed the dildo inside my pussy and

stroked it in and out of my pink hole nice and gently. As she did this she tongued my bum and a dam burst inside me flooding the lower half of my body with waves of dirty pleasure. She slipped her tongue inside me and lovingly tongue-fucked my bum as she pumped the dildo in and out of my cunt.

“That's great,” I moaned, then noticed how she'd positioned herself over one of

my hands. When I reached between her legs I found that she had no knickers on and I could tell she desperately craved my touch. Sadie squashed down onto my hand, pinning it to the bed as she writhed about on my fingers. I stuffed them inside her and finger-fucked her at the same speed she was fucking me.

Sadie grabbed the second dildo and sucked on it, coating it with spit before pressing it against my arse. As she did this I slipped a finger out of her pussy and pressed it against her crinkled ring, so when she eased the second dildo inside me, I pushed my finger inside her.

The sensation of having both my holes filled was fucking fantastic. My sex felt cramp-packed with cock and I could barely catch a breath as they both started fucking me.

Sadie alternated the thrusts at first, drawing the cock out of my pussy and she drove the other into my arse, then slowly withdrawing that one when she fucked my pussy again. It was mind-blowing and I tried to do the same for her, but couldn't move my fingers this way, so I just stuffed them into her holes both

**“ She slipped her tongue inside me and lovingly tongue-fucked my bum as she pumped the dildo in and out of my cunt.”**

at the same time. I had two in her pussy and two in her arse and I fucked her hard as she leaked all over my hand.

Sadie treated me the same and started fucking both holes with a single thrust. I cried out in ecstasy as she banged me with short stabbing strokes and lapped against my clit and suddenly I lost my load. I let out a wail and collapsed onto my front as I came all over her hands and face.

When I got my breath back we swapped places and I did for her what she'd done for me (including licking her pussy and arse, which was really weird). We're having a full-on fling these days; she fucks me during the days and her brother fucks me at night. Well, I figure if you're going to be unfaithful, this is the most harmless way to do it.

**C**herry's been letting us in on how she likes to greet her current man when he gets home from a hards days work.

"Sometimes when he gets home I'll be waiting in bed for him, wearing some really sexy lingerie and playing with my pussy. One time I was just feeling really horny all day, but instead of masturbating, I decided to wait until he got back from work. Kind of torturing myself, you know?"

We try not to torture

ourselves, but currently, we are under some strain from the tales of your home life, but how did it work out?

"By the time he got home, I was desperate for a fuck. I heard his key in the door, ran to meet him, and he barely got the door closed behind him before I was on my knees with his dick in my mouth. Then I just jumped on top of him and fucked him right there in the hallway. I came really quickly, but it was so intense because of all the waiting!"

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## PULL THEM DOWN!

You may be forgiven for thinking that this is a scene from a Carry On film, though perhaps these two have been learning from the heavyweights of slapstick. Tulsa police are searching for two suspects in connection with

Huggies guys,  
Huggies!

a spate of robberies after two people were held up at a convenience store and motel.

At 1:45 am on Sunday morning the victims were filling up their cars at E-Z Mart when two men approached them holding a revolver and instructed one of the victims to remove his trousers. The suspects then drove off with the trousers in a Cadillac, which was found abandoned a few hours later. Police continue with their enquiries.

## BURKE AND HARE!

Munster  
mash!

We think somebody's been reading too much Shelley. Vincent Bright pleaded guilty to stealing his father's body from a Detroit cemetery with the hope of bringing him back to life. Bright, 48 at the time, stole the body of 98-year-old Clarence Bright, from Gethsemane cemetery on January 14 and stored it in his household freezer. Bright is a religious man and hoped his father would be resurrected; he faces sentencing later on this month with a maximum jail term of 10 years.

## GIDDY-UP CLUCKER!

Well, this lot certainly ruffled a few feathers. 9ft and 600 pounds of aluminium feathers, to be precise. A giant chicken statue's owner alerted the authorities after hearing a disturbance at around 6 am, which led to the arrest of Darrin Edwards, 19, Tyler Jones, 21, and James Smith, 18. Though not before one of them allegedly mounted the statue and rode it for a mile down the road. The chicken sustained a cracked claw, lacerated leg and a few scrapes.

She's a  
good layer  
this one!
